48681 – Champagne Finish
General Casegoods Specifications

1. Unique Specifications

- High Pressure Laminate Tops
- Birch Veneers
- Birch Veneer Edges
- Non-Exposed Solids: Select Hardwoods

2. Wood Species

- All non-exposed solids are sound grade, kiln dried hardwoods.

3. Veneer

- Flat cut birch veneers are used on exposed faces.
- Veneers are purchased according to grade.

4. Top Construction

- Custom Matched High Pressure Laminate Tops.
- Contract Grade 45 lb. density Particle Board Core with lumber bands on 3 sides.
- Birch veneer edge bands on exposed edges and an edge banded back edge.
- Non KD Constructed Desk and Occasional Item Tops have Contract Grade 45 lb. density Particle Board Core with lumber bands on all four edges and birch veneer edge bands on all four edges.
- KD Constructed Desk and Occasional Item Tops have Contract Grade 45 lb. density Particle Board Core with 1” lumber bands on all four edges.

5. End Panel Construction

- Particle Board Core with Birch veneer edge band on exposed front edge and edge banded back edge.

6. Drawer Front Construction

- Fiberboard Core with Birch Veneer face on front and back sides.
- Birch Veneer edge bands on Top and End Edges and edge banded bottom edge.

7. Drawer Box Construction

- Vinyl Drawer Sides and Drawer Backs.
- Dowel construction to attach drawer sides to drawer fronts for added strength.
- Drawer Bottom is tempered hardboard with a printed wood grain finish and is glued on all four sides into drawer grooves.
- Drawer Interiors are smooth.
- 3/4 Extension Ball Bearing Side Guides in zinc finish with 75 lb. rating.

8. Back Panels

- Non Exposed Back panels are constructed of Pressed Board, are recessed 1-1/2” and are encapsulated into end panel grooves.
- Exposed Back Panels match the finish of the suite to provide a finished appearance on the front side of the case.

9. Case Construction

- Dowel Construction is utilized to provide maximum durability and stability.
- All cases with large doors have 4 adjustable floor glides, one in each corner of the case.
- Media Chests and Microfridge Cabinets have partitions beneath tops to prevent sagging from the weight of televisions.

10. KD Constructed Desks, Tables and Occasional Items

- Tops contain a 1” lumber band on all four edges.
- Legs are solid hardwoods.
- Legs are secured using corner blocks, glue, screws and 2 lag bolts for additional strength and stability.

11. Headboards

- Headboards are wall mounted and sized to match the sleep set.
- Angled Wall Mounting Brackets are provided for installation.

12. Finish Standards

- All Cases utilize a flat line acrylic finish process which gives superior durability.
- All Finishing Materials are the highest grade of their respective kinds.

13. Warranty

- Manufacturer warrants for the greater of (i) Manufacturer’s standard warranty period, or (ii) Five (5) years from date of invoice, that all casegood products (the “Products”) shall be new, free from defects in material. Workmanship and design shall conform to any and all applicable specifications, drawings, samples and descriptions referred to in this Preamble and shall be suitable for the purpose for which intended. Manufacturer warrants it has the right to convey or provide the Products and that same are free of all liens and encumbrances. These warranties shall survive any inspection, delivery, or payment for the Products, and termination of this Preamble, and the benefit thereof shall run to Buyer, its successors, assigns and customers. Manufacturer shall repair or replace all Products failing to comply with the warranty set forth herein with complying Products. Manufacturer shall bear all warranty costs such as labor, material, inspection and shipping to and from Buyer’s facilities. If Buyer incurs any such costs, it may either recover them directly from Manufacturer or deduct them from any amounts due Manufacturer as agreed between the two parties.
